

FIRE CODE COMPLIANCE WORKSHOP

FOR CONDO BOARD MEMBERS AND MANAGERS

Participants will observe “live fire” demonstrations, including an opportunity to be a part of a simulated high-rise evacuation and experience smoke conditions during their descent.

WORKSHOP PRESENTER:

Jason Reid, Senior Advisor,
National Life Safety Group

Participants will receive certificates of training completion. This workshop meets and exceeds the Ontario Fire Code requirements for Residential High-Rise Fire Safety Plan Implementation.

INVEST YOUR TIME WISELY.

WORKSHOP DESCRIPTION:

This interactive, two-hour session, offers active group participation that keeps attendees engaged incorporating “reality based” training. This workshop will empower board members and managers with the knowledge and understanding to effectively meet code compliance in their buildings.
